

Technical Investment Analyst (m/w/d; full-time)

At better ventures, we have the ambition to become Europe's strongest early-stage impact investors. We are convinced that founders can change our world for the better. We are here to support them and are scaling our impact investment approach on the basis of our strong angel community - join our team & grow with us.

We put founders first

We are entrepreneurs

We are honest & trustworthy

We love what we do

WHAT YOU CAN ACHIEVE

- Become part of our deal committee and **identify gems in our impact dealflow**
- **Take full ownership** for initiating and making high performing deals, particularly with technical ventures
- **Work directly with our angels** and experts - and help extend our network
- Contribute to further **automate our investment & community processes**
- Enrich our investment decision making by **leveraging on AI & new tools**

HOW YOU ADD TO THE TEAM

- **Completed technical degree** (bachelor or master, e.g. CS, engineering)
- **Hands-on work experience**, e.g. startup
- **Passion for purpose** and in-depth expertise in one of our impact fields
- **Ability to build strong ties** with high performing founders & angels - first network in startup scene a plus
- Excellence in English and German
- **You share our values** above and are **fun to work with**

This sounds like you? We look forward to hearing from you:
